

Chamber Music Hall - 2020

The venue

The Chamber Music Hall is the perfect setting for smaller-scale, more intimate concerts and introductions to concerts in the Concert Hall.

The Chamber Music Hall offers numerous possibilities for companies. This exceptional hall is a charming location for your congress, seminar, training session or private concert. The hall seats a maximum of 322 people on 3 levels. The sloping balconies surrounding its performance area are reminiscent of an Italian palazzo. The various seating/performance configurations offer a wealth of options for your event.

This hall can be darkened. Its standard facilities include audio, beamer and screen for meetings and congresses.

Capacity

The Chamber Music Hall has several flexible configurations. Depending on the expected number of people and the general atmosphere you prefer for the event, we work out an optimal configuration, no matter the size of the group.

Possible combinations

Your meeting or concert in the Chamber Music Hall can be combined with catering options (coffee break, lunch, dinner, ...) at Forum 6, Forum 7 or the Foyer. The Chamber Music Hall can also be used as a break-out room during big congresses in the Concert Hall. Depending on your preferences, the main entrance hall of the Concertgebouw or a separate entrance only for the Chamber Music Hall can be used.

Catering

Catering in the Chamber Music Hall is not allowed. The Foyer, Forum 6 and Forum 7 are perfectly equipped for catering, however. All catering in the Concertgebouw is provided exclusively by the Concertgebouw's catering partners:

- D's Deldycke
- Traiteur Cardinal
- Gusto Catering

We will gladly put you in touch with these caterers for a tender tailored to your needs and budget. The Concertgebouw will invoice the hall use and catering.

Parking

Located under the Concertgebouw, you will find Parking Centrum 't Zand (1.434 spaces). The Concertgebouw can arrange exit tickets so your invitees do not have to pay the parking fee themselves.
